

Please fill in this form regarding your pets travel to The Channel Islands & UK. All details relating to your pet passport must be completed before arriving at check in St Malo. Failure to complete all sections may result in refusal of shipment of your pet.

TRAVEL INFORMATION

Passenger's Name:

Booking Number:

Date of Travel:

Destination:

Car Registration:

Please note:

1. One form for each pet carried must be completed.
2. If you are travelling with more than 5 of your own pets, in addition to the Pet passport scheme a health care certificate is to be issued from the country you are coming from.
3. If the animal is being imported for sale or re home, you must contact your local government to obtain the correct documentation as these cannot be imported on the pet passport scheme.
4. If you are unsure of any of the above and cannot find the details in your pet passport, please contact Condor Ferries St Malo 0033 299 407 810.

PET INFORMATION

Pet passport country of origin:

Type of animal: CAT DOG FERRET

Are you the owner of the pet? YES / NO

SECTION III & IV

Microchip number:

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Date of microchipping/...../..... (DD/MM/YYYY)

Does the date of microchipping pre-date the first rabies vaccination? YES / NO

If your pet has no microchip

Tattoo number:

--	--	--	--	--	--	--	--	--	--

Date of tattooing:/...../..... (DD/MM/YYYY)

WARNING: The tattoo must have been done before 03/07/2011. If no, please report to Condor Ferries St Malo.

Does the travel take place between the "Vaccination date" and the "valid until" dates of the rabies vaccinations? YES / NO

Is your travel scheduled a minimum of **21 days** after the rabies vaccination (not required for a booster)? YES / NO

WARNING: If there is a gap between rabies vaccination a 21 day waiting period is required, day of vaccination counts as day 0 not day 1.

Is there an official vet's signature and stamp? YES / NO

SECTION VII (Only dogs)

Has the **tapeworm treatment** been carried out **24h to 120hours** prior to the scheduled arrival? YES / NO

Are the date and time of the tapeworm treatment completed in the passport? YES / NO

Is there an official vet's signature and stamp? YES / NO

If you are travelling from outside the EU from a non-approved country you must answer the following questions as well:

SECTION V (Only for non approved countries)

Is the date of the **blood test at least 30 days** after the rabies vaccination? YES / NO

Is your travel scheduled a minimum of **3 months after** the blood test*? YES / NO

Is there an official vet's signature and stamp? YES / NO

***Please note: The three month waiting period will not apply if your pet was first vaccinated and blood tested in the Channel Islands or EU and issued with an EU pet passport before it went to an unlisted country. The pet passport must show the date of the blood sample and that the vet has signed it to show that the test result was satisfactory.**

If you answer "NO" to any question, please **immediately** contact Condor Ferries St Malo on 0033 2 99 40 78 10
